With my first year as president coming to a close, I want to thank everyone in the club for your support. We've had some new members join (Yea!), but sometimes we lose a few to conflicting schedules or competing interests (Arrr.) I appreciate your patience when I'm long-winded at meetings or late with emails or text reminders.

Most important: it's your fun attitude, suggestions and commitment to "Party with a Purpose" that have helped add new events and keep our annual favorites fresh. I wish you all a wonderful Holiday Season & look forward to more PHun going PHorward!
