I've been expecting an announcement all this week for the date of Jimmy's Alpine Valley concert. Reliable sources have assured me there is going to be one, but no official notice yet. When we do get the word, we have less than a week to give our final number for Club Seating tickets. This year PHCGB will be guaranteed 10, but past experience has been good for being able to get all that we request (and pay for). A separate e-mail will be sent with 2015 points to see where you stand for 1st dibs on tickets. Watch your inbox and be ready to put in your request when the conch shell blows!
